

## Troop 17 Web Permission Form

(Please print this form, fill it out and return it to the Troop Membership Chairperson at any Troop meeting.)

The Troop 17 web site includes information about our scouting program, a calendar of events, links to scouting related materials and online forms for event registration. Our web site and email distribution list are two primary ways we communicate with members of the Troop. However, we do respect the right to privacy of each scout and require parental/guardian permission to include the following information on the Troop web site.

For my son(s), \_\_\_\_\_:  
(scout's name – please print)

I **DO / DO NOT** (circle one) give permission for my son's first name and last initial (ex: John D.) to appear on the Troop 17 web site.

I **DO / DO NOT** (circle one) give permission for a picture of my son(s) to appear on the Troop 17 web site either individually or in a group. Scouts will not be identified by name if they appear in a picture.

Granting permission to any of the above does not constitute an obligation on the part of Troop 17 to include the associate information on the web site.

A request to revoke permission once it is granted must be made in writing to either the Scoutmaster or Committee Chairperson.

\_\_\_\_\_  
Parent or Guardian Name (please print)

\_\_\_\_\_  
Parent or Guardian Signature

\_\_\_\_\_  
Date
